

## FAQs for the 1<sup>st</sup> Nairobi Health Scientific Conference

- 1. What is the 1st Health Scientific Conference?**
  - The 1st Health Scientific Conference is a landmark event organized by Nairobi County, aimed at bringing together healthcare professionals, researchers, policymakers, and stakeholders to address critical issues surrounding health equity, resilience, and sustainability.
- 2. Who should attend the conference?**
  - The conference is open to a wide range of participants, including health professionals, researchers, policymakers, students (both undergraduate and postgraduate), representatives from international organizations, civil society, and development practitioners involved in the health sector.
- 3. What is the theme of the conference?**
  - The theme of the conference is **"Advancing Health Equity: Towards Resilient and Sustainable People-Centered Primary Healthcare Systems for Nairobi."** The conference will focus on how to strengthen primary healthcare systems and explore the impact of climate change, global health security, non-communicable diseases, mental health, and the role of innovation and technology in healthcare.
- 4. How can I participate in the conference?**
  - You can participate by submitting abstracts, attending sessions, engaging in panel discussions, networking, and attending exhibitions and interactive forums among others.
- 5. What are the expected outcomes of the conference?**
  - The conference aims to promote actionable strategies for improving health equity and building resilient healthcare systems. Research and discussions from the conference will be documented and shared widely to guide future healthcare programs and policies in Nairobi and beyond.
- 6. How do I register for the conference?**
  - Registration can be done through the official conference website. The payment and delegate registration tab will guide you through the process. Find this on <https://healthconference.nairobi.go.ke/>
- 7. What are the delegate registration fees?**
  - Delegate registration fees vary based on the categories (e.g., Local, International, Students and LMICs).
- 8. How can I make payments for the conference?**
  - Payments can be made via mobile money (e.g., Paybill number), direct bank transfers, or using a credit card. Detailed instructions, including Paybill numbers and account information, will be provided on the registration platform via <https://healthconference.nairobi.go.ke/>
- 9. What should I do if I have more questions or need further assistance?**
  - For any additional inquiries or support, you can reach out to the organizing team via email at [[healthconference@nairobi.go.ke](mailto:healthconference@nairobi.go.ke)] or through the contact form available on the conference website.
